Priority Bills

- AB 247 (Muratsuchi D) Education finance: school facilities: Transitional Kindergarten Through Community College Public Education Facilities Bond Act of 2024.**
Last Amend: 7/13/2023
Status: 9/1/2023-In committee: Held under submission.
Location: 8/21/2023-S. APPR. SUSPENSE FILE
Summary: Would set forth the Transitional Kindergarten Through Community College Public Education Facilities Bond Act of 2024 as a state general obligation bond act that would provide \$14,000,000,000 to construct and modernize education facilities, as specified. This bond act would become operative only if approved by the voters at an unspecified 2024 statewide election. The bill would also provide for the submission of the bond act to the voters at that election.
Position: Support
- AB 1851 (Holden D) Drinking water: schoolsites: lead testing pilot program.**
Last Amend: 6/3/2024
Status: 6/12/2024-From committee: Do pass and re-refer to Com. on E.Q. with recommendation: To Consent Calendar. (Ayes 7. Noes 0.) (June 12). Re-referred to Com. on E.Q.
Location: 6/12/2024-S. E.Q.
Calendar: 7/3/2024 9:30 a.m. or upon adjournment of Session - State Capitol, Room 112 SENATE ENVIRONMENTAL QUALITY, ALLEN, BENJAMIN, Chair
Summary: Would require the Superintendent of Public Instruction to establish a pilot program to test for and remediate lead contamination in drinking water at participating local educational agency facilities with plumbing that was installed before January 1, 2010. The bill would require the Superintendent to select no fewer than 6 and no more than 10 local educational agencies for participation in the pilot program and, if a selected local educational agency consents to participate in the pilot program, the bill would require the Superintendent to provide grants to the participating local educational agencies for testing and remediating drinking water lead levels at eligible facilities. If sampling results show lead levels in excess of 5 parts per billion in water at any potable water system outlet, the bill would require a participating local educational agency to notify the parents and guardians of pupils who attend the school of the elevated lead levels, as provided, to take immediate steps to shut down all potable water use at potable water system outlets where excess lead levels may exist, and to ensure that a lead-free source of drinking water is provided for pupils at each potable water system outlet that has been shut down.

- AB 2009 (Rendon D) School districts: public contracts.**
Last Amend: 4/1/2024
Status: 4/25/2024-Failed Deadline pursuant to Rule 61(b)(5). (Last location was ED. on 2/12/2024)
Location: 4/25/2024-A. DEAD
Summary: Current law requires the governing board of a school district to let contracts for public projects, as defined, involving an expenditure of \$15,000 or more, to the lowest responsible bidder who gives security as the governing board requires. This bill would instead require the governing board to let contracts for public projects when the expenditure is \$34,500 or more to the above-described lowest responsible bidder. The bill would additionally require the Superintendent of Public Instruction to annually adjust the \$34,500 amount, commencing on January 1, 2026.

- AB 2192 (Carrillo, Juan D) Public agencies: cost accounting standards.**
Last Amend: 3/18/2024
Status: 5/29/2024-Referred to Com. on L. GOV.

Location: 5/29/2024-S. L. GOV.

Summary: The Uniform Public Construction Cost Accounting Act authorizes a public agency, whose governing board has by resolution elected, to become subject to uniform construction cost accounting procedures. Current law provides for the development of cost accounting standards and an alternative method for the bidding of public works projects by public entities. The act defines “public project” to include, among other things, construction, reconstruction, erection, alteration, renovation, improvement, demolition, and repair work involving any publicly owned, leased, or operated facility. This bill would define “public project” to additionally include installations involving any publicly owned, leased, or operated facility.

AB 2565 (McCarty D) School facilities: interior locks.

Last Amend: 5/16/2024

Status: 6/19/2024-From committee: Do pass and re-refer to Com. on APPR. (Ayes 7. Noes 0.) (June 19). Re-referred to Com. on APPR.

Location: 6/19/2024-S. APPR.

Calendar: 7/1/2024 10 a.m. - 1021 O Street, Room 2200 SENATE APPROPRIATIONS, CABALLERO, ANNA, Chair

Summary: Current law requires the governing board of a school district, if the governing board of the school district elects to seek state funding pursuant to the act for a school modernization project for a school facility constructed before January 1, 2012, to include, as part of the modernization project, locks that allow doors to classrooms and any room with an occupancy of 5 or more persons to be locked from the inside of the room, except as provided. Current law requires the governing board of any school district to furnish, repair, insure against fire, and in its discretion rent, the school property of its school district. This bill would require a charter school, school district, or county office of education serving pupils in kindergarten or any of grades 1 to 12, inclusive, that undertakes an addition, alteration, reconstruction, rehabilitation, or retrofit of a school building, to install interior locks on each door of any room with an occupancy of 5 or more persons in that school building, except as provided. By placing a new requirement on local educational agencies, the bill would constitute a state-mandated local program.

SB 28 (Glazer D) Education finance: school facilities: Public Preschool, K-12, and College Health and Safety Bond Act of 2024.

Status: 9/1/2023-September 1 hearing postponed by committee.

Location: 8/16/2023-A. APPR. SUSPENSE FILE

Summary: Current law authorizes the governing board of any school district or community college district to order an election and submit to the electors of the district the question of whether the bonds of the district shall be issued and sold to raise money for specified purposes. Current law generally requires, to pass a school bond measure, that either at least 2/3 of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds to pass the measure, or, if certain conditions are met, at least 55% of the votes cast on the proposition of issuing bonds be in favor of issuing the bonds. Current law prohibits the total amount of bonds issued by a school district or community college district from exceeding 1.25% of the taxable property of the district, as provided. This bill would raise that limit to 2%.

Position: Neutral

SB 956 (Cortese D) School facilities: design-build contracts.

Status: 6/13/2024-From committee: Do pass and re-refer to Com. on APPR. (Ayes 7. Noes 0.) (June 12). Re-referred to Com. on APPR.

Location: 6/12/2024-A. APPR.

Summary: Current law, until January 1, 2025, authorizes a school district, with the approval of the governing board of the school district, to procure design-build contracts for public works projects in excess of \$1,000,000, awarding the contract to either the low bid or the best value, as provided. Current law requires specified information to be verified under penalty of perjury. This bill would delete the provision making this authorization inoperative on January 1, 2025, thereby extending it indefinitely.

- SB 1374 (Becker D) Net energy metering.**
Last Amend: 3/18/2024
Status: 6/17/2024-June 19 hearing postponed by committee.
Location: 5/28/2024-A. U. & E.
Calendar: 7/1/2024 Upon adjournment of Session - State Capitol, Room 437 ASSEMBLY UTILITIES AND ENERGY, PETRIE-NORRIS, COTTIE, Chair
Summary: Current law requires the Public Utilities Commission to develop a standard contract or tariff, which may include net energy metering, for eligible customer-generators, as defined, with a renewable electrical generation facility, as defined, that is a customer of a large electrical corporation. Current law requires, in developing the standard contract or tariff for large electrical corporations, the commission to take specified actions. This bill would require, no later than July 1, 2025, the commission to ensure that any contract or tariff established by the commission pursuant to the above described

provisions for renewable electrical generation facilities configured to serve either multiple customers with meters on a single property, or multiple meters of a single customer on a property or a set of contiguous properties owned, leased, or rented by the customer, meets certain requirements, including that eligible customer-generators are authorized to elect to aggregate the electrical load, as specified.

AB 1864 (Connolly D) Pesticides: agricultural use near schoolsites: notification and reporting.

Last Amend: 6/20/2024

Status: 6/20/2024-Read second time and amended. Re-referred to Com. on AGRI.

Location: 6/19/2024-S. AGRI.

Summary: Current law authorizes the agricultural commissioner of a county to adopt regulations applicable in the county that are supplemental to those of the Director of Pesticide Regulation that govern the conduct of pest control operations and records and reports of those operations. Current law authorizes the commissioner to adopt regulations on the agricultural use of any pesticide for agricultural production within 1/4 mile of a school with respect to the timing, notification, and method of application. Current regulations restrict specified applications of pesticides made for the production of an agricultural commodity within 1/4 mile of a schoolsite. This bill would require a commissioner to require a notice of intent to be submitted before a person applies certain pesticides within 1/4 mile of a schoolsite, as specified. The bill would require the Department of Pesticide Regulation to require a separate site identification number for the portion of an agricultural field that lies within 1/4 mile of a schoolsite. The bill would also require the department, for permit applications for agricultural use of pesticides designated as restricted materials, notices of intent for pesticide use, and pesticide use reporting forms and procedures, as they pertain to an agricultural field of which any portion lies within 1/4 mile of a schoolsite, to require reporting on the specific method of applying the pesticide and, as applicable, certain information relating to the dates and times of the pesticide application, as specified. The bill would require the director, in evaluating a county's pesticide use enforcement program, to evaluate the county's effectiveness in enforcing specified laws and regulations regarding applying pesticides near schoolsites.

- AB 3186 (Petrie-Norris D) Public works: prevailing wages: access to records.**
Last Amend: 5/20/2024
Status: 6/5/2024-Referred to Com. on RLS.
Location: 5/23/2024-S. RLS.
Summary: Current law requires the Labor Commissioner to investigate allegations that a contractor or subcontractor violated the law regulating public works projects, including the payment of prevailing wages. Current law requires each contractor and subcontractor on a public works project to keep accurate payroll records, showing the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the contractor or subcontractor in connection with the public work. Current law requires any copy of records made available for inspection as copies and furnished upon request to the public or any public agency to be marked or obliterated to prevent disclosure of an individual's name, address, and social security number but specifies that any copy of records made available to a Taft-Hartley trust fund for the purposes of allocating contributions to participants be marked or obliterated only to prevent disclosure of an individual's full social security number, as specified. This bill would require an owner or developer, as defined, undertaking any public works project to make specified records available upon request to the Division of Labor Standards Enforcement, to multiemployer Taft-Hartley trust funds, and to joint labor-management committees, as specified. The bill would also apply this requirement to an owner or developer that undertakes a development project that includes work subject to the requirements of public works. The bill would subject an owner or developer, for failing to comply with the provisions of this act, to a penalty by the commissioner, as specified, and would deposit the penalties into a specified fund. This bill would require the Director of Industrial Relations to adopt rules to govern the release of those records, as specified.
