

2024 CSFC Annual Summit

Embassy Suites Sacramento Riverfront Promenade

Thursday, September 12, 1:00 pm - 5:00 pm | Friday, September 13, 8:00 am - 2:00 pm

The 2024 CSFC Annual Summit is returning to Sacramento! Join your COE colleagues in-person to share facilities expertise, hear from key state officials, and discuss best practices and challenges with other County Offices of Education.

As always, the Summit is open to representatives from all COEs (CSFC membership is not a requirement for COE attendance), and our Associate member friends. Given all that is happening in the world of facilities, the Summit is a can't-miss event!

The 2024 Summit will cover topics such as:

- California Department of Education: SASI Grant and Regional Networks to Serve Small School Districts
- COE Project Showcase
- Hot Topics in Energy: Inflation Reduction Act, Microgrids, and More
- Guided Discussion: COEs Serving Regional Needs
- Legislative and Regulatory Update: State School Bond, Legislation, and More
- State agency updates from the Division of the State Architect and Office of Public School Construction
- Open forum discussion with your COE colleagues on other hot topics!

The Summit will also feature a Networking Dinner on Thursday evening, included in your registration, giving attendees an opportunity to network with colleagues and CSFC leadership. Join us in Sacramento this September!
