

County School Facilities Consortium COE Membership Application

CSFC promotes and supports state funding for county-operated school facilities. We are a diverse group representing small and large counties located throughout California. CSFC advocates for legislation and state regulations that will support all aspects of county office public school facility construction.

Here's What You Get

Members may attend all CSFC General Membership meetings and receive regular updates on County Office of Education (COE) issues and CSFC advocacy efforts. CSFC also provides education, resources and networking opportunities unique to COEs.

Yes! I wish to become a member. Please enter my yearly membership at the following rate:
